Dear Mr. Jensen:

Enclosed are two copies of a small negative cultural resource inventory report for the Highland Mist Mine, northwest of Panguitch, Utah. I have worked with Tom Munson in your division, and I have included the forms needed for the State Historic Preservation Office. If you have any concerns I can be reached at (435)586-7870 or the number listed for me on the letterhead. Thanks.

Sincerely,

*Barbara*
